

Demetrius is on his way to class and decides to get some food.

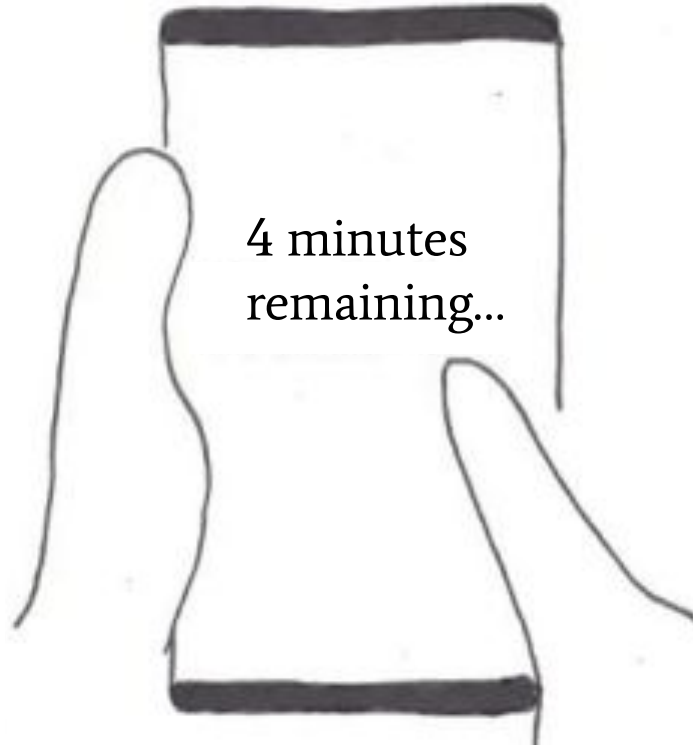

Qdoba

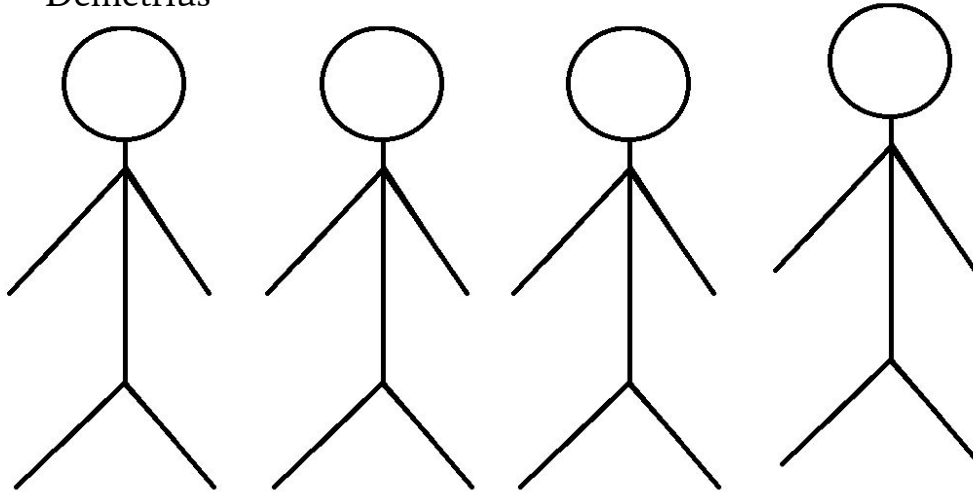

Demetrius checks his phone to see how long the wait is.

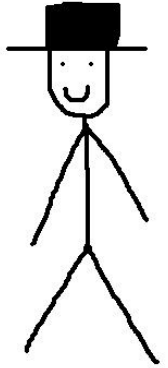

The Grubhub app says the wait time is 4 minutes.

Demetrius

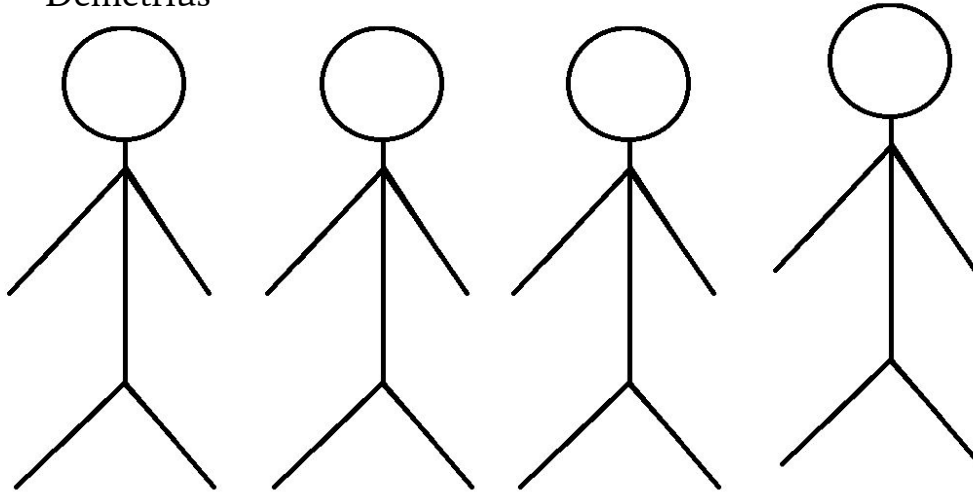

Qdoba

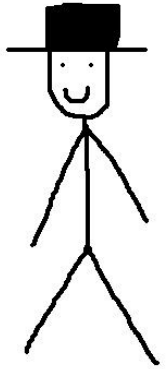

Demetrius waits in line thinking he will get his food and make it to class on time.

Demetrius

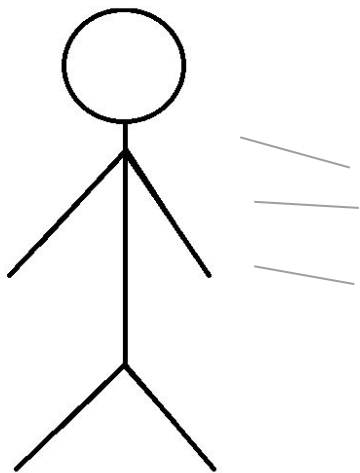

Qdoba

After 10 minutes, his food is still not ready and is almost late for class

Qdoba

Demetrius finds out that the Grubhub time was wrong
and must now leave before he misses his next class
